

BE SWITCHCRAFT

TEMPORARY BOARDS

How much power do you need?

Where do you need it?

All BE Switchcraft temporary boards feature RCD protection on all circuits and provide single or three phase outlets, or a combination of both to suit your needs. A solid powder-coated enclosure, built to handle the toughest conditions completes the total package.

BE Switchcraft produce two standard types of temporary boards offering you flexibility when and where you need it most!

Three Phase

- Free standing
- 6 x single phase outlets 10A
- 1 x three phase outlet 20A
- RCD protection on all circuits
- Cable support stand
- Lockable isolator
- IP:43
- Compliant to AS/NZS61439.4—Assemblies for Construction Sites

Single Phase

- Free standing
- 6 x single phase outlets 10A
- RCD protection on all circuits
- Cable support stand
- Lockable isolator
- IP:43
- Compliant to AS/NZS61439.4—Assemblies for Construction Sites

About BE Switchcraft
